

Emergency Check In on Website

1. Sign in to www.5starstudents.com
2. In the top right corner of the 5-Star homepage, click the RED emergency icon.

3. Enter location or other notes into the provided text box.
4. Mark whether the student is “safe” or “need help”.
5. Scan with a plug-in USB scanner, pair a mobile bluetooth scanner, or manually enter student ID numbers.
 - a. Also, you can use “Search by name” to manually look up and check in a student.
